>DID YOU KNOW?

Family Mealtime

Family mealtime is not just an opportunity to build a close relationships with children; mealtime can provide a venue to positively impact childhood nutrition and healthy eating habits. Visit the Family Dinner Project for tips on how to integrate healthy habits into your family's routine. Track progress, see a list of conversation starters, plan menus and connect with the online community at [Family Dinner Project](#).

Saturday Morning Cartoons

Did you know that nearly 80% of food commercials aired during Saturday morning children shows are for junk food? On average, children see eight junk food ads for every 10 minutes of cartoons. Instead of watching Saturday morning television, consider replacing TV time with [these](#) healthy family activities.
