

Dear <<First Name>>,

On behalf of the Healthy Jacksonville Childhood Obesity Prevention Coalition, Happy Independence Day. As we pause to reflect on the meaning of the day, we would like to thank you for your efforts in making Jacksonville a healthier environment for our children. The second half of the year will be exciting for the Coalition as we continue to build a healthy community. Please save the date for:

- **Friday, July 12**, when the Coalition reconvenes for our monthly meeting. The meeting will feature a presentation from Kevin Cataldo, M.S., Nemours National Office of Policy and Prevention on the Early Care and Education (ECE) to Promote Healthy Eating and Physical Activity;
- **Friday, September 13**, when we recognize Duval County's Healthy Heroes in honor of Childhood Obesity Awareness Month. Look for more information about the event including a nomination form in a future edition of the Bite-Sized News; and
- **Saturday, November 16**, when the Duval County Food Policy Council hosts its second annual Food Summit. The Summit will feature speakers who will lead a dialogue on creating access to a healthy, prosperous food system.

We invite all of our partners to play an active role in shaping these events. If you would like to help plan either event, email [Healthy Jacksonville](#) or call 904.253.2520 to receive information about the next planning meeting.

Healthy Regards,

Dr. Laureen Husband, Ed.D.
Director, Healthy Jacksonville
